

**The Fifth EUMETCAL
Workshop
2-5 November 2009**

Langen, Germany

Kate Chumak

30.09.2010

Deutscher Wetterdienst

Germany's National Meteorological Service, the Deutscher Wetterdienst (DWD), is responsible for meeting meteorological requirements arising from all areas of economy and society in Germany.

The Deutscher Wetterdienst is a public institution with partial legal capacity under the Federal Ministry of Transport, Building and Urban Development.
